DIANA RYALL AM - XPLORE FOR SUCCESS

Passionate and a visionary in her field Diana left her role as CEO of Apple Australia 10 years ago to build confidence and resilience in professional women.

As an advocate for the success of women Diana founded Xplore for Success, where she and her team have been promoting the success of professional women in Australia. Building resilience, inspiring leadership within women and encouraging organisations to create and promote more inclusive workplaces in which both men and women can thrive.

With customers like AMEX, Beach Energy, Caltex, CBA, Deloitte, GHD, KPMG, NAB, OZ Minerals, Stockland, Super Partners and several government departments, Diana is forging ahead with Corporate Change.

ABOUT DIANA RYALL:

Diana is a well-known mentor for women and a vocal supporter of increasing the number of skilled women in senior management. Known as an inspirational, results-oriented leader who provides great guidance and direction, Diana uses her passion for inspiring leadership and supportive workplace cultures to promote the overall success of women.

Diana's career has seen her forge a successful path for women to follow, holding positions such as CEO, Director of Marketing, and Director of Software Support within Apple. Diana has balanced her career and family throughout her varied career and greatly values the support given by her husband and two sons.

Diana actively focuses on balancing her career, family and health and her philosophy is to learn as much as possible and face life and its challenges with optimism.

It was this Philosophy that saw Diana create Xplore in 2002 to empower other women to rise to the top utilising her knowledge and experience. Diana's vision has come true; with over 6,000 participants to date through Xplore's mentoring programs.

Many Xplore participants now reflect on their own path, quoting that the Xplore program and Diana are integral to their success. Diana's involvement with empowerment does not stop there. As Deputy Chair of Dress for Success Sydney, Diana is also an inspiration in her personal - life and regularly speaks on behalf of the National Breast Cancer Association.

Recognised for her contributions to technology, community and corporate organisations, Diana is a Member of the Order of Australia (AM); it is a true reflection of the passion that shines through in Diana.

ABOUT XPLORE FOR SUCCESS:

Xplore for Success is about professionals, their self-awareness, confidence and resilience, their workplace, and ultimately about opening the doorway to personal success.

Today, individuals face career challenges. Xplore provides the opportunity to unleash the potential of each individual through a range of unique mentoring programs, relevant career development workshops and executive coaching developed specifically for today's workplace by some of Australia's most successful and experienced professionals. <http://www.xplore.net.au>
